BDCP 2-Party MOU Draft 30 May 2012 cen.docx

Classification: UNCLASSIFIED

Caveats: NONE

Any particular topics for tomorrows EPA call besides updates?

Dale HF was trying to reach MJ about overall BDCP Purpose and Need, they haven't connected so we have no idea what that about.

We're compiling what we must have in EIS but not ready as of today (408 people have it, Claire Marie is out sick so there may be some delay)

Attached is latest version of MOU. DWR wants to add back in dispute resolution and make a couple edits, those not in this current draft
